**BRIGADIER SUBHASH PANWAR, SENA MEDAL
PRESIDENT CANTONMENT BOARD**

The Clement Town Cantonment has come into existence in the year 1941. The Cantonment has experienced considerable progress and development with passage of time. The Cantonment Board Clement Town has been maintaining high standard of service and also keeping the assets in a good condition with utmost tenacity. The Cantonment Board has taken initiative for launching of Cantonment Board Website, for a better interface between the Cantonment Board and the public with a view to be responsive municipality, with ability to respond on real time basis. The Cantonment Board Clement Town has been catering to the civic amenities for the civil population residing within the Cantonment, which include Sanitation, Roads & Paths, Drains, Parks Streets lighting, School and Dispensary etc. The endeavour is on to ensure all the facilities are upgraded and modern to meet the aspirations of the citizens. There is a constant endeavour towards 'Zero Tolerance' for corruption and I am sure with digital means at the disposal of each citizen, we would be assisted by the citizens providing '**Swach Prashashan**' and fully fits into all dreams of '**Swach Bharat**'. I am sure these steps will augur a new phase of governance in the history of Clement Town Cantt.
